

Accessing Lab Applications via Mac

1. Visit the [Lab Applications](https://onlineapps.mercer.edu) sign in page: <https://onlineapps.mercer.edu>
2. Enter your Mercer University ID (MUID) number in the **User Name** field (e.g., 10234567). Employees will use the username and password used to log in to your computer and/or MyMercer.
3. Enter your password in the **Password** field.
4. Select **Sign in**.

MU Lab Applications

[Help](#)

User Name:

Password:

Security
Warning: By logging in to this web page, you confirm that this computer complies with your organization's security policy.

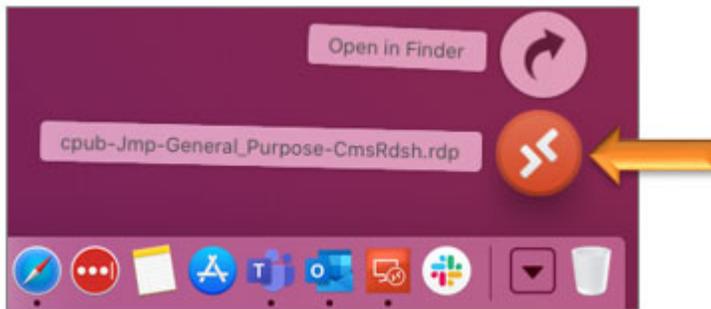

5. Select the application you wish to launch.

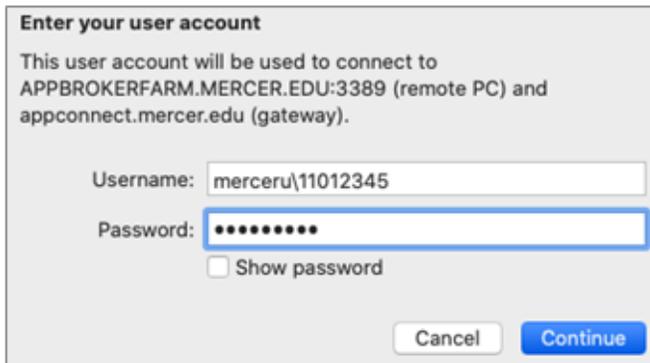

*Software offering will vary.

- From the Downloads folder, select the recently downloaded RDP file. If you do not have an application capable of running remote desktop files the [Microsoft Remote Desktop 10](#) client is available in the App Store.

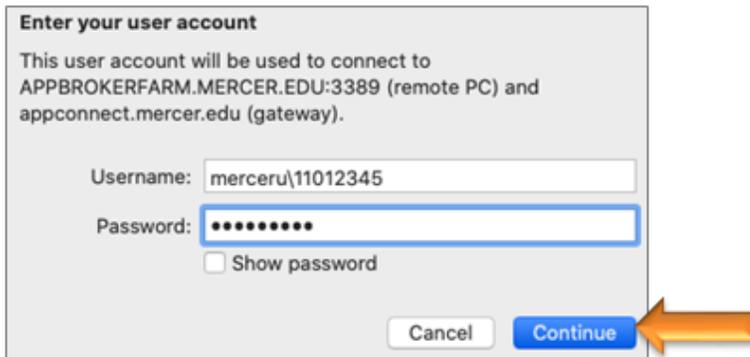

- Students enter the following in the **User Name** field: merceru\MUID
(e.g., merceru\11012345)

Employees enter the following in the **User Name** field: merceru\User name
(e.g., merceru\smith_jd)

A screenshot of a "Enter your user account" dialog box. The text inside reads: "This user account will be used to connect to APPBROKERFARM.MERCER.EDU:3389 (remote PC) and appconnect.mercer.edu (gateway)." Below this, there are two input fields: "Username:" with the text "merceru\11012345" and "Password:" with masked characters. There is a checkbox labeled "Show password" which is unchecked. At the bottom, there are two buttons: "Cancel" and "Continue". The "Continue" button is highlighted with a blue border.

- Enter your password in the **Password** field.

- Select **Continue**.

A screenshot of the same "Enter your user account" dialog box as in the previous image. The fields and text are identical. However, an orange arrow points to the "Continue" button, which is now highlighted with a blue border.

Note: The more intensive applications, such as SPSS, may take up to 1 minute to launch.
